

SHARPSTOWN RECYCLES

Did you know that curbside recycling is not available in all neighborhoods in Houston? Sharpstown is lucky enough to have it – and we'd like to keep it! Please do your part for the environment and supporting this program by recycling your newspaper, magazines, color ad inserts, office paper, unwanted mail and telephone books; tin, aluminum and empty aerosol cans. Plastic bottles, jars, jugs, tubs & lid in all numbers (NOT #6 - styrofoam). *Plastics not accepted are plastic bags, packaging material, meat & food trays, food wrap, toys and furniture.*

Keeping all paper items segregated, you may place all of these materials together in your bin. Overflow materials can be put in a separate paper grocery bag and place on top or on the side of your green bin. Corrugated cardboard must be broken down into 3x3 foot squares. Used motor oil, if placed in its original container or an empty 1-gallon milk or water jug will also be accepted.

YOUR RECYCLING DAYS
