November 13th 2010

Where: West Bellfort POA (formerly named the Northfield #

10810 Braes Ridge

Houston, TX 77071

Time: 9:00am to 12:00pm

Cost: No Cost! Manual and Starter Backpack Kit Provided

This 8 week course is taught by Fire, Emergency Medical and Law Enforcement professionals but geared toward the everyday person.

Classes cover:

- Week 1 - Disaster Preparedness
- Week 2 - Small Fire Suppression
- Week 3 - Medical Operations - Treatment Strategies
- Week 4 - Medical Operations - Triage
- Week 5 - Light Search and Rescue
- Week 6 - Team Organization and Disaster Psychology
- Week 7 - Terrorism Awareness
- Week 8 - Disaster Simulation Drill

CERT training is designed to prepare you to help yourself, your family and your neighbors in the event of anticipated disruptions and potential hazards before and following a disaster. Should emergency personnel not be available, you can use this training to save lives and protect property. For more info on the CERT program in Houston, Harris County and the region, go to www.harriscountycitizen corps.com.
